## Coming to Crook Community Centre in August 2026 more details to follow

Bringing you a stylish celebration of music from some of the most classic Musicals of all time. Whether it's the heart-wrenching ballads of "Les Misérables," the upbeat and jazzy tunes of "Chicago," or the whimsical magic of "Wicked," each performance is designed to captivate and entertain.

From The Greatest Showman to Mamma Mia, Waitress to Six, Les Miserable to Miss Saigon, Cats to Evita, - each track is handpicked especially for you.

This show is brought to you by the outstanding and captivating voices of Sandy Smith and Sophie Mairi, who move effortlessly from the heart-rendering ballads to the high-energy anthems with their incredible harmonies. Their credits are London's West End Theatres, Cruise Liners and across in Europe, and ITV, and the show is proving extremely popular wherever it goes.
